Post code: DN14 8NT

## MAPS

OS Explorer 291

OS Landranger 105

## REFRESHMENTS

Local pubs and shop in village. Picnic area at Sugar Mill Ponds.

## NO PUBLIC TOILETS

## FEATURES OF INTEREST POINT 1

### SUGAR MILL PONDS

Take time to look at the various notice boards around the site. The HERITAGE BOARD will help you to understand the history of this beautiful nature reserve.

### POINT 1-2

As you walk along the canal bank look away to your half-right towards the distant trees and to Rawcliffe & Thorne Moors.

### POINT 2

As you climb on to the road, look to your right towards the river bridge. The River Don or the 'Dutch River' was diverted to come this way in 1635, so called because the man who built it was Dutchman Cornelius Vermuyden.

### POINT 2-3

Just before you turn right, look straight ahead on Bridge Lane. The Victorian school (1877) and Wesleyan Chapel (1906) are situated just a short walk along on the right hand side.

## CRODA INTERNATIONAL

This is where the Croda company was born in 1925. The company eventually expanded to become Croda International plc, with a working staff of about 3,400 spread around the world covering at least 34 countries (2012). Their Head Office is at Cowick Hall. See the HERITAGE BOARD at Sugar Mill Ponds for more information.

### POINT 3

#### CEPA (2016)

This site has had a long association with the paper making industry, going way back to 1889. The chequered history of the site is covered on the HERITAGE BOARD.

### POINT 4 - 5

In September 1975, peace came to Rawcliffe, East Cowick & Snaith with the opening of an eight and a half mile stretch of the M62 motorway, relieving the villages of heavy traffic.

### POINT 8-9

#### THE LOCAL RAILWAY

The line was officially opened on 29th March 1848.

It's story is on the HERITAGE BOARD at Sugar Mill Ponds.

### POINT 9

#### THE RAILWAY STATION

Situated just a short walk to your left.

THIS PROJECT IS PART FINANCED BY

The European Agricultural Fund for Rural Development: Europe investing in rural areas

The Region's Development Agency

## Walk 15: Industrial Heritage

### HERITAGE BOARD

There are footpaths around both ponds and a picnic area (Suitable for Wheelchairs).

- 1** From car park, walk down the track running between the two ponds to the canal Turn left on canal bank.
- 2** At the bridge, climb steps, cross road, turn left and then right on Paper Mill Road.
- 3** At road end, go straight on track and over railway line.
- 4** Turn left on to tarmac road.
- 5** Turn right on main road and left on Ridding Lane.
- 6** When roadway ends, follow track on right side of children's playground Pass a small bridge, then turn left on farm track alongside dyke.
- 7** At the end of farm track, turn right, walk on the edge of field with dyke on your left. Turn left over dyke bridge, follow path on edge of field.
- 8** Look for waymarker on your left and cross dyke bridge then turn left. Go over railway line and turn left on to road.
- 9** At main road turn right and walk back to Sugar Mill Ponds.

### Shorter Route

- Turn left at No 5 and walk straight back to Sugar Mill Ponds.
