## HOUSES BURGLED AND CARS STOLEN

### DON'T BECOME THE NEXT VICTIM

Keep your home secure with doors locked,  
even when you are at home

### ALWAYS lock your car

- A third of all burglaries are through an open window or unlocked door.
- Do not leave valuables or cars keys on display.
  
- Look at your property through the burglar's eyes:
  - Are there places where they could break in unseen?
  - Have you fitted strong locks on your doors and windows?
  - Can **YOU** get into your home without a key? - **SO CAN SOMEONE ELSE!**
  
- **NEVER** hang car or house keys on the inside of a door.
- **NEVER** leave house or car keys in an obvious place like a handbag or key cupboard.
- **NEVER** leave a spare set of house keys in your vehicle.

If you see anything suspicious please contact the police immediately. We want to catch those responsible. With the help of the public reporting anything out of the ordinary we hope to catch offenders before anyone else becomes a victim.
