

## Planning Application Update

Further to previous correspondence in September 2019, Bellway Homes and Savills would like to provide an update and ask for further feedback regarding the emerging plans for the proposed residential development on land south of Punton Walk, Snaith.

### Allocated Site Proposals

A new planning application is to be prepared seeking consent for the delivery of up to 120 dwellings including landscaping and open space, biodiversity enhancements, sustainable urban drainage systems, two new access points and associated infrastructure. Proposals will also see the delivery of 20% affordable homes. This land is allocated for the delivery of new homes within the adopted East Riding Local Plan.

Please return all feedback on the proposals by 19/06/2020 to:  
newcastle@savills.com; or by post to  
Savills, 71 Grey Street, Newcastle upon Tyne NE1 6EF

## Feedback Questionnaire

Thank you for reviewing this information. We would like to know your views on the new proposals by answering the questions below and all feedback given will help to inform the final scheme prior to the submission of the planning application.
