Parish/Town News Release

Snaith, Rawcliffe, Airmyn & Marshlands Provincial Update -July 2021

1. Crime and ASB

Unfortunately due to technical changes we are unable to provide the monthly information at the moment. However you can obtain Crime and ASB data for your own area by visiting www.police.uk , clicking on "whats happening in your area" and enter your postcode.

2. Crime issues of particular note

The following list shows some of the crimes that have occurred in the previous month in your area:

- Catalytic convertors have been stolen from 3 vehicles in Rawcliffe Bridge.
- There were two attempted break ins at properties in Pollington.
- Three secure garages and a secure shed at different properties in Rawcliffe were broken into, searched and items stolen from some.
- Access was gained into a secure property in Snaith by damaging the rear patio doors, the property was then searched.

3. Community Priorities.

- **Priorities**

We have been patrolling Snaith and the surrounding rural areas during our shifts and will also continue to monitor the following: the Market place in Snaith, Villa Fields, South Parkway, Tablers Wood, Croda, the water pumping station and Snaith quarry.

4. Crime Reduction Advice

Going away?

Remember home security

Imagine that you have returned home from having some time away to discover your home has been burgled...it is not something the Police want anyone to go through. Just because you are on holiday does not mean burglars are taking time off too and if it looks like you are away then your home could become a target. We are urging everyone to check their security before they go away and ensure their holiday is one to remember for the right reasons.

Follow our simple tips to secure your home against burglars:

Make sure your windows and doors are locked. If you have a burglar alarm turn it on and leave the key or passcode with a family member or trusted neighbour.

Remove and secure items that may be used to break in or climb into your home eg ladders and lock your outbuildings so burglars can't use the tools inside.

Parish/Town News Release

Use automatic timer-switches in different rooms to turn lights on and off at different times and perhaps a radio when it gets dark.

Ask a trusted neighbour or family member come round and open and close curtains, plus move the post, so it looks like people are coming and going at your home.

Cancel any newspaper or milk deliveries.

Don't advertise that you are away by placing pictures etc on social media – you don't know who can read your comments or who they will tell.

Work with your neighbours to keep an eye on each other's homes. Neighbourhood Watch and Neighbourhood Networks encourage this type of community spirit and long term it may be worth joining one or setting one up in your street. For details visit: www.ourwatch.org.uk or contact your local policing team.

Never leave keys anywhere near the front door; burglars know where to look. Consider fitting a letterbox cage or other restrictor to prevent burglars from putting their hands or gadgets through and opening the latches from the inside.

Keep valuables out of sight and don't leave them where they can be seen through a window.

If you conceal valuables in your home, avoid obvious hiding places such as your sock drawer or in a fake food can in the kitchen – burglars are wise to this trick.

Try not to leave anything you would hate to lose in the house while you are away.

Given that most burglars are opportunists and their motive is generally to get in, get something of value and then get out as fast as possible, your intruder might be encouraged to leave after finding a fake hoard rather than turning your house upside down to find anything of real value.

5. News and Appeals

Youth Generation Council meeting

PCSO Samantha (Sam) Chandler of the Snaith and Marshlands Neighbourhood team is hoping to start and make the lives of the young people in her community a little bit better by setting up a Youth Generation Council meeting to give young people a voice and get some positivity going again in the town. The first meeting took place at the Priory Church, Snaith on the 25th June.

Sam said, "Since the terrible floods of 2020 and the Covid-19 pandemic, this area has had its fair share of bad times recently.

I have been working with the local Town Council to find a way to spend some time with our local young people, to find ways to making sure they have things to do and places to go to meet with friends and help in their local community.

These young people have had a really difficult couple of years and in one or two cases they have been causing antisocial behaviour and problems. When you look at the situation it's generally been as a result that

Parish/Town News Release

they are bored and have nowhere to go and nothing to do.

I just want to make sure we can help them keep busy and active and build a really good relationship between them, us and the local Town Council. I am really looking forward to hearing the young people's views and see how we can get the whole community together to make Snaith a great place for every generation to live."

Town Clerk, Vicky Whiteley from Snaith and Cowick Town Council also added "We are pleased to be working with Sam and the local policing team and the young people of Snaith. We are hoping to gain interest from a number of pupils from each Snaith High School year group, where we hope the younger generation who have views on how we can improve our community will step forward to support the program.

Following the pandemic the council want to look forward and support our younger generation and we hope with community support and positivity we can improve on relationships with our younger community"

The next meeting is to be held on the 21st July.

6. Surgeries

- **Surgeries at Snaith Town Council Offices.**
