

THE EAST RIDING OF YORKSHIRE COUNCIL
(ON STREET PARKING PLACES) (CIVIL ENFORCEMENT) (CONSOLIDATION)
(AMENDMENT NO. 34) (PRIORY LANE, SNAITH) ORDER 2023

1. The East Riding of Yorkshire Council propose to make a Road Traffic Regulation Order to amend The East Riding of Yorkshire Council (On Street Parking Places) (Civil Enforcement) (Consolidation) Order 2021 the effect of which will be to introduce 2 on-street Electric Vehicle recharging only parking spaces on Priory Lane, Snaith to allow Electric Vehicles to recharge at all times but during the period 8am-6pm Monday to Sunday, a 4 hour time limit will apply, with no return within the 4 hour time period. This will replace a non-restricted length of road.

Outside of the 8am-6pm period, Electric Vehicles may remain parked in Priory Lane, Snaith, for more than 4 hours in case longer term recharging is required. The existing Pay and Display fees in operation at Priory Lane, Snaith will apply to the 2 dedicated Electric Vehicle parking spaces. In addition, a tariff will apply for electricity usage during Electric Vehicle recharging and this will be collected via the electric vehicle charger network app.

The proposed changes are shown on Plan Tile Reference FM19A which is attached to the proposed Order. An annotated illustrative drawing is also available for inspection with reference TP124/1200/22 which shows for ease of reference the proposed amendments. If the Order becomes operative Plan Tile Reference FM19A will be incorporated into The East Riding of Yorkshire Council (On Street Parking Places) (Civil Enforcement) (Consolidation) Order 2021 to replace the existing Plan Tile Reference FM19.
